Deck checks are primarily for the top cut players after Swiss, but they can occur at any given moment during the tournament. If a player's deck does not match their decklist during a deck check, they may be disqualified from the tournament. Please take necessary steps to make sure your physical deck matches your written decklist at all times.

- Have one or more friends double check your deck and decklist.
- Count your deck before and after every match.
- Take a picture of your decklist immediately before turning it in.
- Remember to fix your sideboard after every match.

I agree to the above,
